Motion made by Linda Mitchell and seconded by Kelly Whiteman to review the standard and make comments at the next meeting for our submissions. Motion passed. Kelly Whiteman was volunteered to review and make recommendations on the standard.

Our next meeting will be held on September 14th at 12:00 pm at Mary Somerville's, 2525 Allentown Road, Sellersburg, IN, 812-246-4880. Please bring a dish.

Debbie Willoughby has volunteered to hold the following meeting at her house the first weekend in November. Debbie has graciously agreed to allow us to work her sheep following the meeting.

Brag:

Debbie Willoughby had quite a successful month. Lockeye Lady Ness and Briarwood's Uherdit Morgan both finished their championships. Ch Lockeye Lachlan (a smooth) is listed in the AKC top 25 dogs in the country, Bluecollar Uherdit TriMe earned an HT, Split earned and HSas and she also has a new puppy – Lockeye Perfect Cut Diamond.

Pat Kerschner ran her home bred 18 month old puppy bitch, Mouse, in her first USBCHA trial on Aug. 3rd-4th. They placed 4th on Saturday and 1st on Sunday in the Novice division. She would have earned combined Reserve High In Trial had this award been offered.

Meeting adjourned at 11:45 am.

Respectfully submitted,

Ronni DeLay
KTBCC Secretary
